

Lightworkers Academy hosted the Second Edition of its Science Exhibition- ***Kreatura 2.0*** on 30th November, 2019. The event witnessed a vivid display of the creative and innovative minds of the young scholars from across schools both in junior and senior category. The inauguration was presided over by Mr. S. R. Pandian, Dean (Planning) IIITD&M, Kancheepuram ,while Dr. Arockia Selvakumar, Asst Director-Placement and Training VIT, Chennai was the Guest of Honour for the valedictory ceremony.

The theme, this year was Robotics and Research Management to help humanity, health science, safety & defence. An array of indigenous projects captivated the audience thus leaving the judges with a tough challenge in deciding the winners.

The first position in senior category was grabbed by Veeralakshmi Vidyalaya High School, Salem for their innovative project Chandrayaan-2, whereas in junior category the first prize was awarded to Cee Dee Yes DAV Public School for 'Health & Cleanliness in School'.
