Bharathiyar Day Celebration

CLASS 5A & 5B

Mahakavi Bharathiyar born day - Special assembly was conducted by Class 5 A and 5 B. Bharathiyar - a great poet, freedom fighter, social reformer and philosopher 's born day was celebrated on Dec 18, 2024. Shining stars of Class 5 A and 5 B performed Bharathiyar born day special assembly in one accord. The assembly was headed by our great proponent respected Principal, Mrs. Santhi Swaminathan. Teachers and parents gave their best efforts and support. Students participated in various programmes with patriotic spirit. The special features of the programme were passages about Bharathiyar in English, Tamil and Hindi, Thirukkural, thought for the day and dance. The assembly concluded with the scripture reading followed by National Anthem.

Scouts and Guides – Investiture Ceremony

The Investiture Ceremony of Scouts and Guides is a formal and solemn event where new members are officially inducted into the organization. It signifies their commitment to the principles and values of Scouting and Guiding. The new Scout / Guide takes an oath led by the Scout Master / Guide Captain and then, they distribute the scarves and woggles to the new Scout/ Guide.

At the ceremony Scout / Guide make the promise to the troop and to all the scouts of the world.

Hygiene Awareness Session by Tagore Medical College

On 17-Dec-2024, our school organized a one-day Hygiene Awareness Session for students from Nursery to Class 5. The event was conducted in collaboration with the Tagore medical college, whose students and staff graciously volunteered their time and expertise. The medical team presented an interactive session on waterborne diseases, using drama and dance to engage the students. They explained how consuming contaminated water can lead to serious health issues, such as cholera, hepatitis, and stomach pain. During the session, the students learned valuable tips on maintaining good health and hygiene practices. These included boiling water before consumption, identifying safe and unsafe water sources, avoiding pollution of water bodies, and proper handwashing techniques. The students actively participated in the session, repeating the key takeaways and demonstrating their understanding of the importance of cleanliness and hygiene. We extend our heartfelt gratitude to the medical college staff and students for their time, effort, and expertise. This event has empowered our students with essential knowledge and skills to maintain good health and hygiene practices.

"LWA Celebrates the Magic of Christmas"

Warm New Year greetings 2025 to everyone who reads this newsletter.

Christmas is a day that holds all time together. It's about doing a little something extra for someone. December is always a month of love, joy, and peace, celebrated throughout the world. Light Workers Academy (LWA) specially celebrated a grand and exclusive Christmas celebration by decorating all the classrooms and school entrance with charming Christmas bells, stars, and a wonderful manger prepared at the main entrance. All the children from Nursery, Preparatory, and Class I were involved in dance, choir, and nativity scene displays. - The children of Nursery performed a dance in Santa costumes. - The Preparatory class sang a Tamil choir song, presented Christmas messages/passages, and performed a dance display. - Class I presented a nativity scene and performed a wonderful Tamil song dance. All the children's performances were outstanding. Finally, the program concluded with a traditional Jingle Bells song, where Santa was invited to dance and make joyful sounds with happiness. Children, parents and teachers were filled with joy and happiness. The magic of Christmas never ends, and its greatest gifts are family and friends. Christmas is always filled with cheer and laughter at LWA.

Christmas celebration @ LWA by Teachers

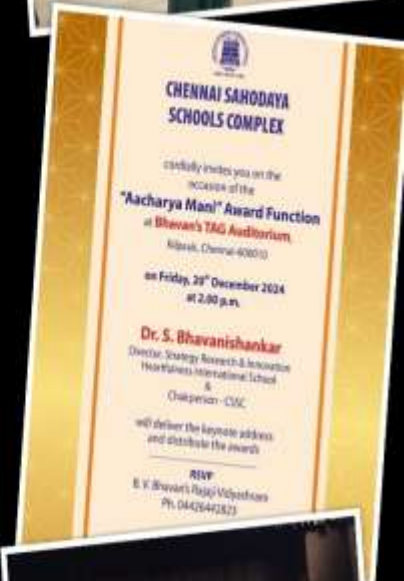

The Christmas celebration organized by our teachers was not just an event; it was a remarkable gathering that truly embodied the spirit of the season. It all began with a Principal meeting, where key points were discussed, including plans for Entrepreneur Day and Science Day. These discussions set the stage for a vibrant community atmosphere. Following this important meeting, we enjoyed a delightful get-together over lunch, fostering connections among faculty members. The real magic began when we kicked off the celebrations with heartwarming carols sung by our talented teachers. The air was filled with joy and camaraderie as everyone joined in. One of the highlights of the day was an engaging activity featuring Chris's mom and child, which brought an element of fun and surprise to our celebration. It became a light-hearted challenge to discover who belonged to whom—an experience that not only entertained but also strengthened our bonds as educators and friends. This Christmas celebration reminded us all of the joy in togetherness and the importance of community within our school family.

CSSC Aacharya Mani award

Ms. Subha Sampath, a dedicated and outstanding educator of Lightworkers Academy received the prestigious "AACHARYA MANI" (Best Teacher Award) from Chennai Sahodaya Schools Complex on 20th December 2024. The ceremony took place at Bhavan's TAG Auditorium, Kilpauk, Chennai. Ms. Subha's commitment to excellence in teaching and her tireless efforts to inspire students have earned her this well-deserved recognition. Her innovative approaches, patience, and passion for education have made a significant impact on her students' academic journey.

Highlights: - "In appreciation of the dedication, commitment and invaluable contribution towards nurturing the young minds in the field of Education"

Training on UDISE

On December 16, 2024, Mrs. Ramalakshmi, a teacher at Lightworkers Academy (LWA), attended a meeting at Bharathiyar Matric. Hr. Sec. School, Guduvancheri, led by Kattangalathur BRT,

Mr. Shanmuga Samy. The informative session, which ran from 2:15 pm to 4:30 pm, included a demonstration on the smart-board covering key aspects of the UDISE+ portal. The topics covered included: school login and details checking student import and PEN (Permanent Education Number) creation form submissions (SO2 and SO3) Aadhar and personal detail updates transfer certificates EMIS vs UDISE+ comparison. The session concluded with a pleasant tea and snack break. Mrs. Ramalakshmi appreciated Mr. Shanmuga Samy's clear explanation and guidance throughout the meeting.

District Level Chess Tournament

We are very happy to congratulate Kevin Sandron studying class 3A who has won trophy in Under 10 category at District level chess tournament conducted by Chengalpattu District Chess Association held on 5th January at Prasan Vidya Mandir School, Mamandur.

Activities

EVS Activity -Class 5 A & B

Here's a creative and hands-on activity for 5th graders to learn about the skeletal system using clay, sticks, straws, and stones. This activity will help students understand the structure of bones and how the skeletal system functions by constructing a model of a skeleton.

Activity: "Build a Skeleton with Clay and Natural Materials"

Students had built a model of the human skeleton using clay, sticks, straws, and stones to represent bones and joints. This activity will help students visualize the structure of the skeletal system and understand the function of bones and joints.

Start by discussing the main functions of the skeletal system: protecting organs, supporting the body, enabling movement, and storing minerals. Show a diagram of the human skeleton to help students understand the major bones in the body, such as the skull, spine, rib cage, arms, and legs.

Once the skeletons are built, students have shared their creations. This hands-on, interactive activity helps students understand the complexity of the skeletal system.

It's a fun way to deepen their knowledge through creativity and building!

Class Activity -Class 5 B

Greeting cards can be a way to connect with loved ones and share feelings. On Dec 20, 2024, our students of class 5 -B blossomed their creativity to its full potential to make a Christmas greeting card and did perfectly.

Class Activity - Nursery

The Tiny tots of nursery enjoyed making the 3D model Christmas tree greeting card as a part of class activity acknowledging and welcoming the joy of Christsmas.
